INVESTMENT MEETS DEMANDS

Located in the heartland of the Scottish Whisky Distilling Industry on the banks of the Moray Firth the Crisp Malting plant at Portgordon which is focused on supplying top quality malt to the numerous distilleries in the region has gone through an upgrade and expansion with the support and involvement of T H WHITE Projects with some additional malt storage and handling equipment being successfully installed and commissioned in 2016 with ongoing scope in 2017.

INSTALLED STORAGE AND PROCESSING MACHINERY

2400t Silo Storage

- Finished malt
- 2 x 1200t silos
- Single row extension
- 13m diameter
- Flat bottom silo
- High level catwalk
- Inspection/access areas
- Sweep/auger discharge
- 50tph handling
- Integrated controls

1335t Silo Storage

- Finished malt
- 3 x 445t silos
- Single row
- 8m diameter
- Hopper design
- 45 degree cone
- High level catwalk
- Inspection/access areas
- 50tph handling
- Integrated controls

Getting the best from machinery, land and buildings since 1832.
