

FARM AND ESTATE

WILTON ESTATE – FOLLY FARM

2500 TONNE GRAIN STORE

Between the valleys of the Nadder and Wylfe Rivers close by Grovely Wood is North Hill Farms which as part of the Wilton Estate saw the completion of a 2500 tonne grain store at its Folly Farm in 2016 designed and constructed by T H WHITE Projects.

PROJECTS

WILTON ESTATE – FOLLY FARM

Grain storage and drying system now fully operational after a successful design and build project...

PROJECTS CAPABILITIES

To develop a technical and commercially acceptable system solution T H WHITE Projects have been able to utilise available resource from their vast depth of knowledge and experience indicated in the capability schedule.

- Land survey & study
- Conceptual phased approach
- Planning assistance / consultation
- Principal designer / contractor
- Design & build contract
- Detailed engineering solutions
- Procurement / fabrications
- Project management / documentation
- System automation & controls
- Mechanical & electrical installation
- Commissioning & handover
- After sales service & support

ESTATE CAPACITY INCREASED

Working closely with the client T H WHITE Projects have successfully designed and commissioned a new 2500 tonne grain storage and drying facility at Folly Farm on the Wilton Estate. This being the second similar type of storage solution undertaken by PROJECTS significantly boosts the available capacity on the farm thus improving its day to day effectiveness and efficiency. The storage facility was successfully fitted out and completed ready to accept the combinable crops for the 2016 harvest.

SCOPE OF WORKS & PROJECT CONTENT...

Grain Drying & Storage

- Capacity 2500 tonne
- Combinable crops
- Size 48m x 28m wide
- 4 x storage bays
- Concrete retaining walls
- Central dividing wall
- 50% on floor drying
- Hardwood flooring
- Single fan/housing
- Central air duct
- Tunnel access
- Grain stirrer
- Overhead runway
- 50% for dry grain
- Or general storage
- Steel framed structure
- Single skin cladding
- Colour olive green
- 4 x roller shutter doors
- Through ventilation
- Automated controls
- Grain store lighting
- Operating apron
